Your membership may not be combined with any other discounts or dental insurance.

All fees subject to change.

If payment is required for additional services, it is due in full at the time of service. Should 3rd party financing be utilized for treatment, the discount will be reduced from 20% to 10%.

The effective date of the plan is the date you enroll and is in effect for 12 consecutive months. Cleanings must be completed before the end of the coverage date.
